

FIRST EVER SELF TANNING INNOVATION

Golden Glow Booster

3 drops to sun-kissed skin

CLARINS

FIRST EVER SELF TANNING INNOVATION

Golden Glow Booster

3 drops to sun-kissed skin

With just 3 drops added to any moisturizer, Golden Glow Booster transforms your complexion into a sun-kissed glow. Enjoy all the skin care benefits of your day or night cream with the added benefit of 365 days of golden, healthy-looking skin.

Key Ingredients

99.8% of ingredients are of natural origin

Dihydroxyacetone (DHA) + erythrulose

- DHA interacts on the surface of the skin to give a **beautiful, healthy** and **even glow**
- Combined with erythrulose, DHA creates a **perfectly natural-looking tan**

Enriched with Aloe Vera

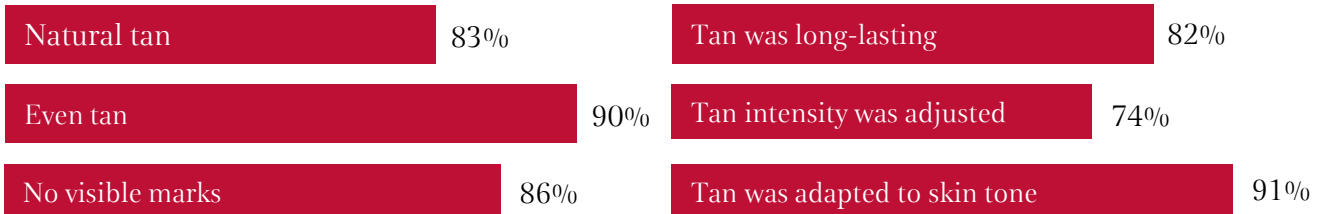

- **Moisturizes** skin
- **Comforts** and **softens** skin

Results

Within 12 hours of application*

After 10 days of regular use*

*Tested on 61 women

Available at Clarins counters nationwide and on www.clarins.com in March 2014, \$30.00
